

Directions to St. Peter's Anglican Church – Montevallo Road

From Highway 280:

Take 280W to Hollywood Blvd. Exit to the right.

You are now on what will become Montevallo Road.

At the traffic light at the bottom of the hill, you are in Mountain Brook Village.

Go straight through the light (it is a little awkward – 5 way intersection, not 4)

Continue through Mountain Brook Village.

We are approximately 1 mile down the road on the right (across from the golf course).

If you see Mountain Brook Baptist Church, you have gone too far!

Our building is an 'A' frame for a portion of it and it has a beautiful patio/prayer garden out front.
